“ To the Family of Frank Lusk, we were so sorry to hear of Franks passing. We came to know them by them coming to Elim Assembly of God Church off and on down through the years. I would visit them a lot, when Wanda was living. I took them sourdough bread at different times and talked to them about the good Lord. I would always have prayer with them both, before I would leave. I had many good visits with them down through the years. I don't remember Frank coming to our church but once after Wanda passed. Him and his grandson came that lived with them. We loved and thought a lot of this family and wished they could had stayed in church.
We missed them so much by not coming. I want the family to know you are in my thoughts, and prayers.

Love & Prayers,
