“ Gary and Rhonda, Our thoughts and prayers are with you now as you try to get back to normal life after such a rough time. Uncle Gary was a remarkable man filled with so much knowledge and experience. He lived a very full life and really seemed to enjoy it. Our condolences to you and all your family that stood by and kept Uncle Gary company during his final days. Love, Philip and Wendy

“ Firstly, may he rest in peace alongside his beautiful wife Dorothy. Secondly, may his family live life to its fullest as Gary & Dorothy did. Our last visit with Gary was a few years ago when he stopped by our house in Spokane, Washington . We spent three very enjoyable days just catching up, as the last time we were together with him and Dorothy was in 1962/63 in Norfolk. We camped and body surfed at Nags Head, N.C. And possibly had a beer or two. Although physically absent, Gary and Dorothy will always remain in our hearts and minds. May God bless.
