I worked with Gerald in the lab at Klopman many years ago. I haven't seen him since I left Klopman over 20 years ago. He was always jolly and fun to be around. He was a good Christian man and I thought so much of him. I know that your hearts are broken and sad and you have my deepest sympathy. I know he will be greatly missed.

“ Tina and family,
I was so sorry to hear of your father's passing.
You can have peace of mind knowing that he
is with our Father in Heaven, but I know it still
leaves a void in your life that no one can fill. I
pray that God comforts you all and gives you peace, knowing that
you will be with him again some day.

“ I was sorry to read about the passing of Gerald your loved one. So I wanted to take this time to express my condolence to you. I wanted to share a thought with you that comforted me when I lost a family member in death. The man Job in (Job 14:14) asks" If an able-bodied man dies can he live again?". Happily Jesus answers in (John 5:28,29)-" Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life" Imagine a resurrection back to life and right here on earth.--(Ps.37:29)-"The righteous themselves will possess the earth. And they will reside forever upon it". Well I hope that you will be able to draw some comfort from these scriptural thoughts as I did.
