“ *Joan and Ray,  
While we will miss Toots, we take comfort to know that she is at long last reunited with your Dad, her brothers and sisters as well as her parents. We know that her faith has become sight and she is no longer suffering in pain or has need of hearing aids. Wayne loved playing chauffeur for both your Mom and his Mom as they were always 2 peas in a pod. Now, the entire Shelton gang is whole once again. We know that your grieving is just beginning, so please know that we are here for you if you ever need us.*
