“ *Oh the fun we had working today side by side daily for several yrs in bad stock at jcrew, we would laugh so hard we'd have to walk away from each other just to stay out of trouble. Thank you my dear friend for all the happy memories. You will always be in my thoughts of happy times we shared. Rest easy my friend until I see you again. Sending my sincerely condolences to your family, love you always. Cathy Campbell*

“ It was through this dear girl and mutual friend that two high school classmates discovered one another. A cup of ice she had thrown at a baseball pitcher before practice one afternoon while at the Dairy Freeze was thrown back at her....she ducked....and the friend beside her got it full in the face! Geraleanne laughed....the girl fumed.... the guy ran....and a high school romance started that turned into a lifelong relationship. Thank you, Geraleanne, for being our funny valentine, Cupid, and friend! We hold a very special place in our hearts for you...and will forever treasure those precious high school days with you. May you rest tenderly now in the arms of the Savior, and may all who love you cherish your precious memory, as will we. Barbara (Boggs) and Dennis Dalton
