I am an old friend from Ross's childhood. I feel bad because I just found out about Ross's passing years ago. He was my best friend in the few years I lived in Altavista. I have so many great memories with Ross- playing football- baseball- basketball- trekking through the woods, establishing forts on the way, our ventures with our bikes all around Altavista- even crossing the bridge to Hurt, navigating drain pipes underneath the highways. We did it all!! Our childhood was unbelievable- so many adventures! I remember the Owen's family as I slept over with Ross in the basement numerous times . The Owen's family was always so welcoming to me and Ross's Mom treated us like Kings!

My condolences are late but extremely heartfelt.

Ross - one day we will do it again- I will always remember you as one of my best friends!!
