“ *Dear family,*

*I did not know Haven personally, but I wanted to express my deepest sympathy. At times like this, I have found Jesus Christ's words at John 5:28,29 to be truly comforting. There he promised that "the hour is coming when all those in the memorial tombs will hear his voice and come out...to a resurrection of life." I look forward to that time so much. Feel free to contact me at the email address attached. Again, I'm so sorry for your loss and I'll keep you in my prayers.*

“ I am so sad for all of you and I know that it is going to be hard to keep going without your husband, dad and granddad. He was a fine, fine man and the love that he felt for his family shined from him brighter than the sun. One thing for sure, you know where he is and that you will be together another day. Life does not end here, this is just a vapor and then life starts. May God bless you all and give you comfort that only He can.

“ *I am so saddened to just hear about Haven's passing. He was such a sweet, kind hearted man. I work at Ferguson Enterprises & have dealt with him thru his construction company for over 20 years. He was wonderful to have as a customer but I was even more blessed to consider him a friend. He was a trustworthy dependable man that provided his customers high quality work & treated his suppliers with utmost respect. He was a good man & I will miss him dearly. He always had a kind word & a smiling face. Even if he had a problem that needed resolution, he was a joy to deal with. Jean, Rex, Blake, Beth & husband Chad are the only family members I ever met & you were all just as kind. I'm sure the rest of his family are just as wonderful since you were exposed to such a great role model. I feel lucky to have known him. I know there are no words to make the pain go away for your loss but hopefully you will be honored & blessed to know he was well thought of & he made a difference to a lot of people. I know I'll never forget his smile & his sunny disposition. My thoughts & prayers are with you all.*

“ I was sorry to read about the passing of Haven your loved one. So I wanted to take this time to express my condolence to you. I wanted to share a thought with you that comforted me when I lost a family member in death. The man Job in ( Job 14:14) asks" If an able-bodied man dies can he live again?". Happily Jesus answers in ( John 5:28,29)-" Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life" Well I hope that you will be able to draw some comfort from these scriptural thoughts as I did.
