“ Your sweet Mrs. Oskey was my 8th grade Science teacher at Tunstall High School in Dry Fork Va. She was one of my favorite teachers while I was in high school. I always wondered where life took Mrs. Oskey. But now I know she sits at the right hand of God the Father Almighty. I share your loss & sadness of her passing. Sending love & prayers. I am just now seeing this. Mrs. Oskey was my mother, May Dowden's, roommate at Autumn Care. She was such a sweet lady. So sorry for your loss.

“ Mrs. Oskey was my 8th grade Science teacher in 1958 at Whitmell Farm Life School in Dry Fork, VA. She was also sponsor for the 8th Grade. A group of my classmates shared memories of her last night in text messages after seeing her obituary in the Danville Register and Bee. Good teacher - good memories.

“ I have very fond memories of Jean from when I first began teaching at Tunstall High School in Pittsylvania County. What a lovely person and so very helpful to a beginning teacher. She was kind and pleasant and very gentle in offering suggestions. I taught English; she taught science, but we were on the same hall. My wedding was the summer after my first year of teaching. Jean's husband, Raymond, was a very skilled photographer, and he took the pictures at my wedding. I send my sincere sympathy to Jean's family.

Sincerely,
Carolyn Hardy

“ Although Jean and I were not able to see each other much after I moved to MI I have fond memories of my older cousin playing with me and I remember her wedding to your Dad. We were at the children's table when we went to the dinners at Grandmother Minix's. She was a lovely and loving person.

“ Deepest sympathy for the passing of your Mother and Grandmother. I would visit Mrs. Minix when she was living and got to know Imogene and Raymond. Imogene helped with Bible school and the Baptist Womens' group. She was a joy to be around. I would visit with her at Autumn Care when Randal went to visit his brother. Most of the time she didn't remember who I was but we still could talk. She always had a smile.
