“ I moved away from Altavista when I was 11 but I remember Frank, known to me as Frankie back then. He was one of my first friends as I remember we spent many an hour playing catch on the grounds of the old Dalton House. So sorry to the Frank's family in his passing.

Mike, Thank you for the message. I don't know if you remember me but I think that we were in the same class one year. It has been really difficult to lose Frank, so your message means alot.

“ *Heather and Barbara- I was so sad to hear about Frank. Frank and I sort of bonded in the eight grade and were best friends all during high school. I have such fond memories of playing sports together, playing our guitars and singing and many other activities. He was in our wedding and when we moved back to Altavista in 1971 he was our neighbor. I have often thought about him over the past few years and I always smile when I think about of some of the things we did together. He was fun, kind and always told it like it was. I will miss him greatly. God bless you and your family, Alvah (Bubba to Frank) Bohannon Wilmington, NC*

“ Heather, my paid your dad a great compliment by saying you always knew where you stood with him and he respected him a great deal for that from their days at Burlington. There aren't many men you can say that about so you have a lot to be proud of with your dad. I've got your family in my prayers.

“ Heather, Betty and family, I am so sorry to hear about the loss of Frank. He was a dear dear friend to me and my family. We met Frank at Gatrells Cowboy Up and he adopted us as we did him. Just about every Wednesday night we saw him at supper at Cowboy up, in his same booth, with his computer and a laugh to share. He will be missed so much. He sent my son a letter when he lost his best friend in a car accident with him. He talked to my son about survivor's guilt. He told my son about being in Vietnam and having those same feelings. He attended our birthday parties, graduation parties and we loved him dearly. He was such a blessing to us! Our love, prayers and sympathy are with you. VickyCole and family
