“ *Tim was one of my best and oldest friends. We met when we were in Boy Scouts back in the early 80's. Some of my best memories are times I spent with him... summer camp, hanging out watching TV, fishing, camping trips, listening to music...He was just fun to be around. When something really tickled him, he had that funny little laugh that would make me laugh even harder. We hadn't talked in a while, but I still cherish my memories of time spent with him. My condolences to his family and everyone who knew and loved him. He was a great guy and he will be missed.*

“ Tim was a wonderful person and a great friend we were like brothers all the good times we had including hunting. Tim would have given his shirt off his back for us. One of the memories I never forgot was we would hang out on Friday night at his house cook hamburgers and French fries and stay up all night and watch music videos! (When life was a simpler) Also here lately Greg and I would go see Tim and we would sit around and talk about old times and laugh our butts off on some of silly things we had done! Tim's memory was amazing he could remember things way back in the day I had forgotten about. Tim I'm going to really miss you! I Love You! I know you are in a wonderful place! I know you are enjoying seeing your mom. I will see you again one day! Your brother David Bowman
