“ *Rabbit & Katherine, I can remember so many memories of our families getting together and spending time together. Rabbit, your special smile, and always kind words, and the advice you would always give us. The garden you would have each year, I can still hear the beagle dogs in the pen behind your house barking when we would come to visit. One of the best memories i remember is when Tracy graduated and we came to your house and you, Katherine, Carey, and Joann, and Mama (Joyce) your sister, and Yvonne, and I sat on the front porch, and had the best time talking and enjoying each others company. The love you and Katherine had for me, I will hold it close in my heart forever. The memories I will cherish until I see you both in Heaven one day. I will always love you both, and I will always remember the love you had for each and everyone of us, and the love we had for you two. May you both rest in peace, because heaven gained two special angels. I love you both, and I always will.*

*Love,
