“ Our hearts goes out to you all for this Tragic loss here on this Earth. You all our in our prayers.. Travis I will miss you so much. I will miss those wonderful bear hugs you always gave me. A few weeks ago when I saw you ll whispered in your ear during one of those bear hugs That Jesus Loves you and so do I and you said I know. Words can not express the grief I feel losing you down here but I pray that I will see you again in God's House. I know you and Pappy our having a blast and your free of this world and the curse that it carries. Until we meet again You will always be in my heart and I will always love you buddy. May the God of all Comfort wrap His loving, merciful, everlasting arms around all of you as you travel down in this Valley and He will Guide you to the mountain top again.

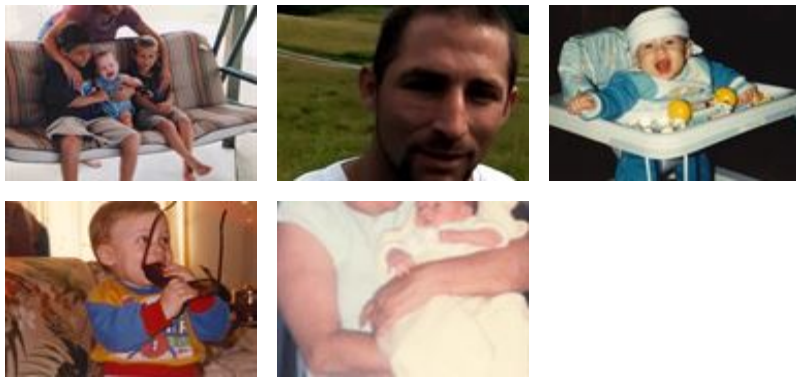

Much Love
