“ *Treva, Tim, Marie, and family,*

*I want to express my heart felt sorrow. I have nothing but good memories and reminders of James. James gave of himself to help others. I remember when he helped me years ago with learning some software. I am truly feeling sorrow especially since I was unable to make it back to Virginia. James you will be missed here. I know you are singing in heaven. :)*

“ I think this is this first funeral that I have been to at Central in which  
James did not sing. He was always so easy to accompany when  
singing. I have lost count of how many weddings, funerals, etc that I  
have played for over the years in which James sang. He had such a  
God given talent. I so appreciate Donald Miller singing today. What  
a fitting tribute, someone who has the same God given voice as  
James.

*Many prayers for all!*

*To the James Stern Family,*

*I was shocked to hear about James. I had no idea he was sick. He just sang at Grandma's (Pauline Osborne) funeral in September and he made every effort to be there. She had requested that he sing at her funeral on a sheet of paper she provided me several years ago. She loved to hear him sing at church and I too remember his beautiful voice when we all sang together in the choir. I am so sorry for your loss. Many prayers and thoughts are being sent your way. “ My heart goes out to the family and loved ones as I pray God's comfort in your time of loss. James was a great friend to me in high school, and I regret that we lost touch with each other after graduation, especially now. He was a strong Christian man who encouraged and strengthened me in my faith in those high school years. I know that he is with Jesus now, and so we who have put our faith and hope in Christ have that blessed hope that we shall meet again where all our tears shall be wiped away.

“ James was a wonderful person each and every time I had the pleasure of seeing him. He always had a smile on his face and had kind words to say. I only knew him from the DMV in Altavista but he made the transaction so much easier to deal with. After that When I would see him in town he would always smile and wave like we had been friends for years. Peace be with you know that he made smiles for those he did not even know.

“ James Stern was the best man I have known. I was so blessed to have had him in my life for 13 years. He was my light...my strength...my everything. He was a wonderful faithful man of God...loved his church and all it's members. His voice was beautiful and now I know he is singing with the Angels...a member of God's Heavenly choir. James was my hero and a role model for others. He was honest...kind...and funny! I use to tell he was so close to perfect. Perfect now in every way...no longer suffering and healed. I can never put into words how very much I love James. My heart is breaking...I am praying for all of his family especially his mother Marie. God Bless you all as we struggle to move forward without our James. -Sharon-
