Thank you. Prayers do help a lot. I miss him so much. It was unexpected, but at least he died in his sleep. He had suffered for so, at least God has him now with out all the suffering and pain.

Thank you so much. It's hard and unexpected, but at least he is not hurting anymore. One day I'll be OK with this life, and join him. But for now I'm shimmy the best I can for my children and grandchildren. Thanks again for the money put on his funeral.

“ I was sorry to hear about James passing. He was a very nice man that always had a kind word and a smile to pass along. I will miss his smiling face at the lodge and the campground with his grandchildren.

Thank you so much. It's been hard without him. I miss him so much. He really enjoyed the grandchildren and being at the camper. He would take Ryland up there as often as he could. Ryland is only 7, but Jay left the camper to him. So I'll take good care of it until he is big enough to do it. Thanks again.

“*Jay was a true friend. When Freddie had to be out of work for six weeks recovering from surgery, Jay was at the hospital almost every other day. He took care of the work load so Freddie never had to worry about his business while recovering. Everyone thought so much of Jay, he was always making people laugh. He was honest, dependable, and funny. Over 20 years of friendship and working together for a large part of those years. Until we meet again, buddy.*
