*Janie you will be greatly missed. I cant imagine the hurt that Elton and your children are going through right now. I believe that you are now with GOD in heaven, and one thing is for sure...you are no longer in any pain or suffering. I know that this is the only thing that will keep your children going, and keep them from suffering. You had a wonderful family and to Bonnie and Beth...I cant imagine the hurt that you girls are going through, and don't want to imagine it...but remember one thing...mama is at peace and rest with GOD...to Bobby and Billy the same goes with the 2 of you... to Janet I know that you were a great daughter-in-law to Janie...to Bonnie's husband...I feel that you were a good son-in-law to Janie, and to the grandchildren, just remember grandma and her sweet memories, all of them that you can since she has been so sick and in the hospital. Everyone has a duty, and apparently the duty of the doctor that worked on wife, mama, and grandma, wasn't meant for him to do the job that he should have done on her...God will judge and punish. Keep the faith, and surrender to GOD, and you will see her again one day and will be able to rejoice with her. I know if there is one thing that Janie would tell her family...is that she wants all of you to get saved, and give your whole heart to GOD, so that she can see her loved ones again one day in HEAVEN, and oh what a rejoicing, and reunion that will be. I love all of you, and my prayers go out to all of you. You all have my deepest sympathy and my heart breaks for all of you. May GOD BLESS and intervene in the coming days ahead.*
