“ We send our prayers to Jean’s family. Our families lived close to each other during our school years and together we went lots of places. Jean and I went each other’s dates, sometimes with only one boy friend. And then of course, we double dated with the ones we married. Such precious memories. Jean will always have a special place in my heart. Hugs to her family. Connie and Roger Wilson

“ Kim and Hannah, we're saddened hearing about Jean she was such a sweet and kind lady. Jean and Marvin would light up like a Christmas tree when we would ask about you and Hannah they would just smile and talk and just laugh in so much pride. Know that they loved you both so much. Keep those special memories near always and know that they are together for ever. Our thoughts and prayers are with you at this time.

“ My thoughts and prayers go out to Kim and Hannah. Jean was my best friend for 60 years. We did so much together. Going to beach, going to movies, going shopping, getting hair cuts together and many other things. I lost my very best friend but I know you are rejoicing now that you are reunited with Marvin and your parents. It broke my heart to see you declining but you put up a good fight. Love you and miss you, til we meet again. Rest high on that mountain. 🙏🙏🙏

“ Jean and Hannah. How deeply saddened I am at the loss of your mom and Hannah's grandmother. Such good neighbors were Jean and Marvin. I have missed her since she left her home. I know she is at peace now. God bless you, Jean and God rest your soul. If there is anything I can do, please don't hesitate ask. Prayers and love to you both.

“ Jean was a much loved member of our family. I have so many wonderful memories going back to always staying with her whenever Marvin went away to National Guard camp each summer. The last 9 years without Marvin were very hard for Jean. I take comfort in knowing they are finally at peace together for all eternity. I love and miss you both so very much. Lyndell Skeen Yeatts
