“ *So sorry to hear of Jeanette’s passing. My thoughts and prayers are with you all. I met Jeanette many years ago while doing ceramics and had so much fun talking with her. Later I worked with her at BGF and she carried the same joyful jolly soul ... could always make me laugh and brightened the dullest of days... a sweet lady. She will be sadly missed, but fondly remembered.*

“ I am so sorry to hear of Jeanette’s passing. I worked at Gretna Nursing Home for almost 12 years, and Jeanette was one of my main buddies. She was always a pleasure to talk with. Being the receptionist, I dealt with the residents patient funds. Jeanette and I were always dealing with her money, putting some in and taking some out. She would come up and say “Linda, how much money I got, knowing very well how much she had to the dime. Then she would want some for personal reasons or most of the time it would be for spaghetti and tossed salad from Mama Rosa’s for her dinner meal. I can see and hear her now asking me to call it in and get the money right to pay for it. She said I will wait right here in the lobby until they come and bring it. When she would get her money, she would say this is going to be my cold cash, I am going to put it in my refrigerator. I retired the last of the year and have seen her twice since then. She was quite a lady, and loved by her family and many others. If she did not know you, she would definitely not be a stranger, she got to know you. Oh, and let me tell you, that Bobby was the apple of her eye. She would always talk to me about Bobby, his job, and his trips. When he left on a trip associated with his job, she didn’t rest easy until his return. I have so many memories of Jeanette. I know she will be missed by so many, but on that “One glad morning, we will all meet again, and eternal life will be so much better!!! May God Bless and give you the comfort that you need, as only he can do!

“ Where do I start my dear friend. I will miss our little secret talks and our rides in the Black #3 to the Dr and so forth. Just waiting to see who says I'm hungry first, me or you!! Usually you since you were having to eat that nursing home chow...Sometimes we did not even get you loaded into the car and you'd look up with those little pleading eyes and say I'm hungry. Our final words were ALWAYS I love you to each other and i thank God i was able to say and hear those words last night. That I will miss the most our love respect and dear friendship as no other two crazy ladies could share. Miss you my sweet Jeanette and will hold you in a special place in my heart. Sleep easy dear one and rejoice in your heavenly home. Tell them all i love and miss them as well. Till we meet again keep Heaven smiling
