“ Condolences to the Bob Childress family. I'm sorry to hear of his passing. He truly had a life of service to our community. When I was hired by CVCC in 2000, he met with me to tell me about Altavista and the local area. He also gave me a list of folks to contact, including the plant managers and/or human resource directors. That helped me tremendously in my position at the Altavista Center. May he RIP forever.
