“ *Daddy,
I walk around in a fog. This just isn't real. We needed more time.
The house is empty without you. I miss our late night talks about life
and your hugs and kisses. There will never be anyone that loves me
the way you did. I can't wait to see you again.*

I worked with Bill for many years, and always appreciated the things I learned from him. How to work hard, work smart, and always do the right thing; always a good example. We'll all miss him. So good to see the pictures of him and the family he loved so much.
