“ Patrick & Juanita, heaven has gained another angel my mom, she was the best mother and wife she was all about her family and especially her children my mom would do anything for us. I wish I had spent more time with my mom on holidays and taking more trips to see her, I wish I had called her more to tell her how much I loved her. Mommy I miss you and I wish I could call you right now and say I love you, I will not say goodbye because I will see you again until then know that I love you rest in peace mom.

“ You are truly being missed Ma, we all love you so much. You were such a great woman, so loving, thoughtful, and spirited. Lord girl did you have spirit!! You always fought for what you believed in and what was right. Quick to defend, but even quicker to put someone in their place. You loved hard and you never stopped, even with your last breath. You made sure everyone knew you loved them and my heart hiccups, skipping a beat at your loss. We love you always Ma, we will never forget, and live on in your legacy.

Love Always,
Andrea, Donnie, Camden, and Chey

Many prayers Don and all the family! Will always remember Joan and Tammy singing Dancing in the Sky at karaoke one night in honor of Mattie. Well now it's her turn to enjoy her dancing and singing again. We will all get to join her one day and what a day it will be. Love you all! Penny and Roger Franklin
