“ My heart has been very heavy and broken since Joan left us, but I find Peace in Jesus Christ 🙏 he's my rock and comforter! I want to send my condolences, Love ,Prayers , Encouragement, to all of the Family and Friends to look to Jesus, For there is where you will find your comfort and strength also.

Joan and I became friends when we were both approximately 16 years of age, She was a very special and dear friend of mine, later on we became double sister-in-law's, we married brothers. We not only remained great friends, but sister-in-law's. I loved Joan very much and now I find peace, knowing that she's with the Lord, who loves her more than any of us could ever have loved her.

Joan, I will not say goodbye. I will say until we meet again. I will always think of you and love you.

Jesus now has another beautiful voice singing in his choir in heaven, praise that wonderful name, 🌸

Jesus Christ 🙏

“ *It's hard to put into words what Joan meant to me. She wasn't just my sister-in-law — she was a true friend. A warm, caring soul who loved my brother Lester with her whole heart. Their love was something special.*

Joan was the kind of person who always made time to listen, who could brighten your day with just a smile or a kind word. She was a devoted mother to her two beautiful daughters, Sue and Lynn, and her love for them knew no bounds.

She brought light and love into every room she entered, and the world feels a little dimmer without her. I've always loved her, and I always will. I pray I'll see her again one day in heaven. Until then, I'll hold her memory close to my heart.

Rest in peace, Joan. You will be deeply missed.

“ To Sue & Lynn I'm so sorry for your loss of your mother, I hope her one of a kind spirit lives on through you.

Uncle Pop, I don't have to tell you, you already know how special of a lady Mrs Joan was and is. Know that she's with you, she's only moved to a place we can't get to yet. Aunt Joan was such a kind and loving presence, and she will be deeply missed. My heart goes out to you, Uncle Pop, and her daughters Sue & Lynn during this incredibly difficult time. Please know that you're in my thoughts and prayers. Joan brought warmth, beauty, and personality to every time she entered. Please know my heart is with you during this difficult time. Sending you all my love and deepest sympathy.

With love,
Megan Barbour
