“ *To say I will miss you is not even close to how I feel. You were an
integral part of my life ever since the day we met. Your knowledge,
kindness, bold honesty, humor and love will always be an inspiration
for me. We shared many things in 35 years but I think the most
important part is that you lovingly shared your family and in doing so
I felt like I was your family too. I love ya Jo and until we meet again
watch over each of us 💕 tell Paw we miss him too.*
