“ I am very sorry to hear of John’s passing. This is something I learned by accident looking for someone else. John and I went to school together in Altavista until I moved away in high school. I remember John being so very intelligent and he was always kind. My sincere condolences to all his love ones.

“ Sorry to hear about John we attended high school together.  
We had talked over the years about his Mom and even talked briefly when his mom passed last year. I know that his Mom and his daughter Emily were his whole life and now he has joined his Mom and Dad in their heavenly home together forever.  
My prayers are with the family at this time.  
Sorry for your loss.
