“ *I'm so sorry for your loss. Hard to believe he will not be walking thru my door anymore. Johnny was a caring and loving man. Roscoe is really going to miss his buddy and his visits to Johnny's. I'm going to miss his phone calls and pranks he loved to pull on the phone. Johnny is now in Gods hands and has no more pain. We have a handsome angel watching over all of us now. Miss you already my friend.*

*Johnny was a real friend and comfort to me and Kerry. On the pAst year we became quite close and every time he had one of the grand babies he'd call so we could come down and visit with them. I know they were The joys of his life and seeing Johnny with them made me see how a real man behaves with his loved ones. He always called on New Years and Christmas and was such a caring and loyal friend. We love you Johnny and will treasure you forever.*
