“ I got the pleasure to meet J.T. through cracker barrel. He always knew how to make the room brighter. I did not know that in the little bit of time that I knew him how much he would help me through a tough time in my life. He used to get on me anytime I walked into work n didn't have a smile on my face, he sure knew how to change that. If i was feeling the lease bit down he would always take time out of his day to talk to me to let me know everything was going to be alright. My heart goes out to his family and friends. I will keep you guys in my thoughts. 💜 Megan Naples

“ I haven't seen JT in some time, except following on Facebook. Back in high school, he could walk into a room and lighten everyone's mood with an off the wall remark or joke! I still can't believe this has happened to such a good spirited person. Y'all are in my thoughts
