“ Its 5oclock in the morning and I can't sleep memories of you keep playing over and over in my mind... Trying to prepare myself for this weekend and can't help but think how different the weekend were just a few years back... If only I could pack my car one more weekends like I used too and head up there to hang out, play cards at Jennifer Dalton Granados it never really mattered what we were doing it was always a good time..Sitting around the shop with your dad, watching the kids play at the park... After all these years you was my go too person we became good friends and real close and you always said I was your ride or die "wish we was still riding" I hate that we let people that shouldn't have mattered because they were only around long enough to try to come between us and create that lapse in time we can never get back.. But u always showed up when I needed you most, I should've knew when you didn't check to see what was going on with Destiny that something was up, I should've saw the signs but like always u put on a smile and tried to convince all you was happy... I'm sorry I failed you and wasn't there for you like you have always been for me!! And the only thing that gives me any peace in this is knowing you finally hurt no more!!! Hopefully with each day that passes my pain will ease to knowing one day we will meet again and you will greet with a smile... I'm blessed to have all the memories I have and to have been a special part of your life and NikNak and Sammi Jo's... My girls and I love and miss you always💜JVD

“ Since the loss of you
I've learned to live for each day
And take it as a blessing
Knowing it may not always be
This way.
Since the loss of you
I've learned that when everything
Goes wrong
To never give up on what is right
Because it can only make you
Strong.
Since the loss of you
I've learned that even when
You're in a lot of pain
You've got to hold yourself
Together
So you won't feel like
You're going insane.
Since the loss of you
I've learned how to hold the tears
When I want to cry
Because all I have is memories
And just want to ask God why?
But mostly since the loss of you
I've learned a life can be taken in
A blink of an eye.
And only heaven really knows when
That person will have to say.....
GOODBYE 😞

VINCENT DALTON YOU WILL BE MISSED BY SO MANY. YOU WERE A ONE OF A KIND. I ENJOYED THE DAY I MET YOU. YOU ALWAYS KNEW HOW TO GET ME TO SMILE AND LAUGH. I REMEMBER THE MEMORIES WE HAD TOGETHER. YOU WERE SUCH A GREAT FRIEND... GO REST HIGH ON THAT MOUNTAIN.... RIP 🙏

We wired the Chevy Auto Sales Building in Bedford beside

Always enjoyed his company.
