“ We first met GySgt Jo Talbot in 1974 while stationed at Cherry Point, NC. She was our role model, our mentor and became our dearest friend.

*Memories will never fade. We feel we know the whole family through Jo's frequent trips to DC with her niece and nephew, and our trips to Hurt, VA. We've spent time in the yard with her Dad and time in the kitchen with her Mom. We even have a recipe we got from her Mother which became one of our favorites! Whenever we visited, good times at Hardee's began the day.*

*It's hard to believe that the First Sergeant has been retired for 35 years. We'll never forget the day we were promoted to Master Gunnery Sergeant...and neither did she. We owe a large part of our legacy to her as we couldn't have done it as well without her.*

*The Women In Military Service For America Memorial (WIMSA) is the only major national memorial honoring all women who served in our nation's defense throughout history. Their patriotism and bravery are a part of our nation's collective heritage and are recognized in this Memorial.*

*Jo is a charter member of WIMSA. Please review her register and keep her memory alive.*

“ Time at last to rest, Jo. You have always worked hard and loved deeply your family, the your friends, and your U.S. Marine Corps. You were a great mentor to many and, for me, a sound reason to make the Marine Corps my career too. I strove to be the Marine you were; I hope I was. Although it's been too many years since we last met, you will be in my heart always. BLT sandwiches will never be the same!
