Our hearts are heavy to learn of "Hannah's" death. She was our family, friend and good neighbor. My mother and I knew her all our lives and have so many rich memories. Hannah had a wonderful high spirited, big personality with a great sense of humor. Through the long years, she would regularly invite my mother and me for something good to eat and the occasion to catchup on all the neighborhood goings on.

Joan, she was so proud of you.
