“ I met Judy through Friends of Campbell County Animal Control. I became a big fan of hers when she took in a very large black dog named Ray, who she called Sweet Baby Ray. He had hair loss from skin issues with other health concerns as well. Judy fell in love with Ray and loved him back to health. He stayed with her for the rest of his life. Judy was such a kind and caring lady and it was obvious how much she loved her family and any animal that crossed her path. I'm very honored to have known her. ~Janet McQuain

“ *There are simply too many to list. And I only knew Judi for several years since around 2010 and the years beyond.*

*The first couple of years I worked with her at Hargrave, she was an inspiration and a spark, for everyone she worked with. Her enthusiasm, charm and goodwill towards everyone in general, or things, to strive to be just like she was always very kind to me, regardless of how difficult her day may have ever been. I haven't spoken to Judy for many years, but will never forget the many wonderful discussions that we had. These are friends that are few and far between in this life, Judi, you've moved on to better things and you've earned it. Best wishes to you and your family, Kevin.*
