“ Kendall,
You are going to be missed beyond belief. You were Granddaddy and Granny's first born grandchild. I have millions of memories of you and Indsey Michelle as u called her, and Tendall as she called you. Everywhere one was, the other was, when you and her were growing up. The memories of you and her being stuck together like glue were the most precious memories ever: walking around together hand in hand, sitting on the porch at granny and granddaddys kissing each other, and many, many more are absolutely priceless. I love you so much Tendall. Rest in peace suga.
Love always and forever
Aunt Sarah

“ Rita, my heart aches for you right now, I've been praying for you every since I heard about Kendall! I can't imagine the pain you're feeling but I know that God does and He alone will calm the sorrow that engulfs your soul! Years ago when I had a prayer group on Facebook, Kendall would message me and have me pray for him... through the years at different times I would recall his request and pray for him over and over not knowing what to even pray for... I would lift him up before the Lord...., he was a very special young man!

“ Kendall,
I just want you to know that Aunt Sarah loves you so very much. you are absolutely precious. You are one of the most loving children in the world. You had one of the biggest hearts there ever was. You was a very caring person to those that you really cared about. You had some beautiful dimples, and those I will never forget, sugar. Everyone that met you loved you, and you never met a stranger. To the first born of Granny and Granddaddy's grandchildren, you got spoiled to pieces. Then came Indsey Michelle as you called her, the two of you were like 2 peas in a pod. Where you saw Tendall (as Lindsey Michelle) called you, there was Indsey Michelle (as you called her). The two of you were inseparable. I would not take anything for those loving days that the 2 of you had growing up at Granny and Granddaddy's. I LOVE YOU SO MUCH SWEETHEART. I just cant say enough about you and Lindsey Michelle's growing up days. They meant the absolute world to me. The 2 of you were so precious and cute, that it was unbelievable. A part of my heart, and the first spoke of the wheel is broken. I love you my precious nephew.
Love Forever and Always,
Aunt Sarah Moore

“ Rita, there are just no words. My heart is so broken for you all and it just doesn't seem real. Kendall had to have known how much he was loved by you and the entire family. He also had a heart full of love to give for his family and friends and even if he didn't say it in words, he said it with his smile. Love you all!
