We can only pray that God will fold His arms around you and allow His peace to envelope you all. We know through Christ we will see each other again - the miss is what makes the time seem, at times, unbearable. Please know that you all are in our thoughts and prayers. “ So sorry to hear of Kirk's passing. My condolences go out to all his family. He will be missed by many and may he forever rest in peace. Just know that we will all see Kirk again one glorious day. I have so many fond memories with Kirk and his siblings Lee and Collet as well. Never had a moment that I would change or take away if I was given the opportunity. Even the BB that I have lodged in my upper thigh still to this day from some of our shenanigans as younguns playing in the yard on N Branch near the hospital. Games of Operation and hearing that annoying buzzing whenever one of us would touch the sides, playing dress up with Collet, and so many other great times we had through our adolescent years and also as adults (even though a lot of times we may have acted like we were still kids)! I will keep all of you in my thoughts and prayers and rejoice that Kirk is now with his Father in Heaven!

“ *Prayers to the family Keith, Renee, Lee and Collett. Played many rounds a golf with Kirk. Kirk went hard at everything he ever tried. He was very competitive and had the intestinal fortitude of a winner. He had such a vibrant personality, and we always talked about our love for UVA. I am still in shock, you will be missed by so many. RIP my Wahoo Buddy.*

“ So sad to see a child of your friends pass away before the parent. Not a natural order. Kirk was my Godson and although distance of living half a world apart didn't allow us to see each other I always thought of him regularly and often. My son fell in our pool in Southern Pines NC when he was four. He was walking with Kirk and fell in. Kirk reached down, pulled him out by the arm and said shake it off and act like it didn't happen!! Maybe no one will know!! Kirk was so calm. Later my son thought it was really cool that Kirk lived in his basement. I remember that smile and his relaxed, laid back approach to life. RIP Kirk!
