I only knew Kris by shopping Foster Fuel. He was so kind and friendly no matter your race. He was a real cool, down to earth white guy. He teased me cause I had just had my hair braided. He said, "I bet that is tight and hurts."

I cracked up. My heart was crushed when I read the sign that was up @ Foster Fuel.

I barely knew this guy, all I know is, I miss him already.

He always kept it 100.

The good always die young.

I will be praying for Amber.

It seems so unfair, that didn't experience getting married or having kids.

God works in mysterious ways. He seemed like her "once in a lifetime guy." To be absent from the body, is to be present with the Lord. RIP Kris "cool white dude."

“ *Kris was one of the most polite and friendly people that we have known. We loved going to Foster Fuels knowing that Kris might be working. He was such fun! I have known his mother for a long time and only had the privilege of knowing Kris for about 6 years. He came to our store in Huddleston quite often. We don't ever remember him not smiling. Our prayers and condolences to Carolyn and the rest of his family and friends. Very sad to lose this young man at such a young age. RIP Kris!.....Janet Baldwin and Rick Peaks*

“ Carolyn, my friend, as a mother of two sons my heart breaks for you. Our years of friendship through the store have been priceless, and Kristopher was a perfect addition to carry on your bubbly personality when you weren't there. He always greeted everyone with a smile, and had a kind word for all.

May God wrap his loving arms around all of you in this difficult time and always keep his wonderful memories close.

I know there is nothing I can say to ease the pain, but just know that there are lots of people who care.
