“ *Larry was owner of his own trucking company, but he was always on the same level as you were when you talked to him. He always had a smile on his face and had to tease you if he knew he could get something on you. Larry always treated me as A friend, the last time we saw each other was at a high school reunion. Rest in peace my friend. May God give his family and many friends peace of heart and peace of mind. Larry is with his loved ones in Heaven now and resting peacefully with that big Catron smile on his face.*
