“ Larry was my dad by marriage for 27 years. My best memories will always be the music and that natural raw talent that he bestowed on all of us. His pure enjoyment to entertain and tell stories through his gift of singing and playing his guitar. The excitement when we would come in to visit of the new gadget or music he would share. And finally the best was the grandpa for his grandson Dylan with the endless supply magnets for a toddler to destroy on his fridge. The last time Dylan and I visited; Dylan commented that he remembered the magnets and that they were still on his fridge. We love you and know that you are at peace.
