“ Here's my story about Larry. A brand new girl student and her first day at Neody High came to school very dressed up and very nervous. Some girls were making fun of her dress. Larry stepped up and said "leave that girl alone.". And they did. Way to go Larry.

“ Scott: You and your family are in our thoughts and prayers. May warm memories of your dad bring some measure of comfort and may the Lord give you peace. We extend our sincere condolences. I hope this is not inappropriate, but my current dentist has commented on me having good teeth in my head, and I know your dad had a part in that, as he was my dentist for a number of years when I was much younger! He is a truly great person, as are all your family, and I know he will surely be missed by many in AltaVista and beyond. God bless.

“ Dear Lucinda and family, I was very sadden to hear of Larry's passing. My memory of Larry goes way back. He was in my late sister's class of 1955. He somehow became very good friends with my father and they built up a very good relationship over the years. Larry would come over to our house in the evenings and play scrabble with my dad. They would argue over politics. Larry a democrat at the time. Larry would also argue this with my sister. Later, my sister would become a democrat and Larry a Republican. Funny how times change. Anyway, every time Larry would return home he would stop by the store or house to see Dad. In short, Larry became part of our family. The last time I saw Larry and Lucinda, she proudly showed me the engagement ring Larry bought from Dad many years ago.

To the Family of Dr. Larry Jewell
We are praying that God will comfort you all as only He can. Dr. Jewell was a really nice man and a terrific dentist. He was the first dentist I went to back in 1977. When I was preparing to get married in 1999 , I had a dentist appointment. Dr. Jewell didn't charge me anything. He said that was my wedding present. He was just that kind of man. Micki is so sweet as well. He was on my prayer list. We will continue praying for the family. May God continue to bless you all !!!

“ I was one of Dr. Jewell’s patients upon his arrival in Altavista and remained one until his retirement. My Dad also became a patient, and he and Dr. Jewell became friends and often went hunting together. In recent years, after I began working at CVCC, he would tell me stories about his time serving on CVCC’s Local Board. Those stories were very entertaining and helped me to forget the dental procedure being done. Dr. Jewell was a great asset to the Altavista community and will be greatly missed.

“ *Larry will be missed - I will never forget his kindness and generosity.*

Many years ago, he graciously took his son in law and me on a weekend fishing trip to the Chesapeake Bay near Maryland. It was a fishing trip that I will never forget, I truly think he had more fun watching us bring fish after fish into that boat than he did fishing himself. On another occasion he bought tickets to a favorite comedian that he loved to talk about, (Lewis Grizzard) when he was in Lynchburg. I was introduced to another classic, thanks to Larry's kindness.

Lucinda, Micki, and Andra - my thoughts are with you.

“ My heart nearly stopped beating yesterday with the indication that I was receiving a telephone call from a Scott Jewell; it could only mean the notification would be followed by one dreadful message - I was about to learn of the passing of my military ‘buddy.’ Dr. Jewell, “Larry” to me, represented my ‘other half,’ as we barracked, toiled, learned and grew while sharing all of the experiences of the U.S. Navy Dental Technician Class “A” and “C”/Prosthetic Technician programs at Great Lakes Naval Training Center so many, many years ago. We were inseparable! Whenever one of our shipmates saw one of us, we were always asked where the other one was. We were always “together,” and that bond has always been present - so shall it be “forever.” Larry’s passing is a great loss for his family, and for me, personally. Dr. Jewell’s energetic, caring presence shall remain as part of my life until I finally get to see him again. One never forgets his “Best Buddy” gained while serving in the military, and I shall never forget you, my Buddy. “Rest In Peace.”
