“ My best two friends' Dad, Lewis was a one of a kind, good hearted person, occasionally known to drop a swear word, here, and there, or argue over simple things all in good nature, but a loving family man. Over the last almost 30 years of knowing the Winston's and spending vacations, holidays, and life events with the Winston family, I have experienced life's good and sad times, but I am thankful for the opportunity to have made memories with the family and for Lewis taking me with the family on all those trips and spending holidays with my family and me!
