“ Linda (known to us as 'Nina' or 'Nines', was many things to me. She was first and foremost my mother-in-law, a mother-in-law like no other for sure. She helped her son (my husband) Tom open the doors (in 2001) to what is now our busy medical clinic, and was an integral part of our practice for 14 years before she retired she was loved by so many of our staff and patients. Nina was also a friend and confidante and I loved her dearly and eternally. I admired her strength and quite power, her devotion to her family and friends, and her sense of humor and the mischievous twinkle that was every present in her eye...making her laugh was a highlight any time we were together. She was the coolest mother-in-law - how many do you know rode a motor cycle!? I'll miss her laugh most of all I think...next to the never ending supply of hugs (olgnini!).

*I remember her and Joe being part of the covert-ops of me and Tom getting engaged, and it somewhat back-firing on her when Tom's plans were altered as the days events unfolded - including the arrival of our second nephew Eric, and my getting to prank her a bit..keeping her guessing as to whether or not Tom proposed when he said he would! What a fun couple of days that was.*

*Linda will be missed in so many ways it's just not possible to put it all into words.*

*Love you Nina!*

*olginis for eternity*

“ Linda was more than just my sister-in-law; she was my friend. Our visits together were always filled with fun and laughter... and playing Quiddler. I will miss the evening calls from Linda and Joe asking me, " Joan, is this a word?" Linda was always so cheerful and upbeat and she will be missed by all of us who loved her. My heart goes out to you, brother, and to her wonderful family.

“ My memory of Linda; She was always the perfect Lady - saying the right things, eating the right things, dressing to fit the occasion and always having a beautiful smile on her face. My daughter, Michele, would speak of Linda a lot and shared the memories that were made from their friendship. I know with Linda's passing it has put a large hole in many of her friends hearts; but the hole is quickly filled with an abundance of LOVE and she will always be remembered as "the Perfect Lady and Friend". She will be physically missed, but the memories made with last a lifetime!

*My prayers go out to each of her family members and friends...May God comfort them with HIS Love.*

“ From the moment we met Linda we knew she was a special person. She was kind, funny, loved her family and talked about them all the time. She had a heart of gold, a great smile and she was the best thing that ever happened to my brother Joe. We have so many great memories of Linda - our cruises, our vacation in Aruba and all our family get togethers. She loved to play games, take walks, drink wine and just be around her family and friends. I remember when they came to visit us at the lake and we had a great time out on the boat. When they got home Joe called me and said " thanks Marilyn, now Linda wants to live on a lake." She got her wish!! She will be missed. We send our thoughts and prayers to family.

“ I have nothing but good things to say about Linda as we were together 25 years and raised two wonderful children that turned into amazing adults. We skipped school, many times and well lets just say we had some very good times. I can remember sledding in the moonlight, just the two of us and going to the Beltsville drive in with Roger and Judy, then we got married right after high school and raised a wonderful family, those were the good old days, God Bless, RIP Linda.

“ It was by chance that Ron and I met Joe and Linda.....they were sitting at "my table" at Running Hare. Little did I know that day, I met my best friend - what a great lady! So many great memories the four of us created through the years, she will be missed terribly. Two of my favorite memories of Linda and I.....our cruise 2013 is when we started posing with statues, and our trip to Aruba 2016, synchronized swimming in the pool. I tried to load a picture of each memory, hope they come through. My heart goes out to Joe and family, may you find comfort in memories shared.....Michele and Ron Daugherty

“ Both of us grew up in Greenbelt with Linda, both Linda and Jane were in the choir at the Community church and were brownies together. We were fortunate to have known her for most of our lives and have many fond memories of her and Joe. We especially enjoyed her infection giggle, quick wit, and beautiful smile. She was such a warm and wonderful lady and will be missed by everyone who was blessed to know her.

“ I saw Linda at the the Leesville Lake Association picnic in July. Joe was out of town. Linda came with close friends who were in town. She was feeling great and her mood was up. She even brought the games she carried around to occupy her waiting time. Always pleasant, never had a bad word about anyone. Will miss her very much

As we each experience life through our own unique and individual journeys, we are blessed to cross paths with special people. Although my moments and memories with Linda were brief and too few, she imparted a warm and lasting impression on my heart. That's what some people do just by being and sharing who they are. That's what Linda did for those of us who were privileged to know her. Some say that the stars are openings through which loved ones shine their light and love. I know that there's a new, bright star in the sky that's sending love to Joe, Teresa, and their loved ones.

Through the years we lost touch, but I will cherish the memories I had of Linda. Cake decorating classes, cookouts and get togethers. She was a warm friendly person and as others have said, had a beautiful smile. She will be missed by all who knew and loved her.
