“ *I was saddened to hear of Linda's tragic death, as well as that of her granddaughter. Linda and I were in the same first grade class together at Altavista Elementary School. Linda was always a nice person and always up for a good laugh. Years ago, when I arrived for the summer in Paris and discovered a problem with my Southside Electric bill, I placed my call to Southside only to find Linda at the other end, resolving my issue. We couldn't get over the strangeness of that happening. I had to go to Paris to reconnect with my old friend.*

“ I was so sadden to read about your mom and sweet Asia, so devastated for your loss. I know she adored you and more so your daughter. She always smiled talking about you both, especially when 'she' got a puppy for Asia. Sending prayers to find a way to ease however possible they can.
