“ Sorry to hear about your loss. Lisa lived across the street from me and she and my daughter played together when they were small. I miss looking out the window and seeing her out in the yard working. May God comfort you in your time of need. Maxine Montgomery.

We are so very sorry to hear about Lisa. I worked with her at NXL on several projects. She was a hard worker and was always willing to do more than her part. She is gone too soon. She used to talk about her 2 daughters all the time. I know she loved you both very much. Prayers for you in the coming months ahead. God will get you through!!

*Harley and Whitney,
I am so sorry to hear this. I just heard last night. We worked together at Timken when Harley and my oldest son Joseph were only babies going to the Y in Altavista before work
We 25 years later reunited for several years then just lost connection the past few years. I thought of her often and am devastated of hearing of her death. She loved and talked so highly of you both. I am really sorry to hear this. Prayers and hugs to you girls.*

“ Harley... you gave your mom the ultimate life gift - unconditional love. You proved your love, intention and devotion to her unconditionally. She did an excellent job raising you, and I know she is so proud of the person you have become. May the beauty of her spirit live in your heart forever. “ *As a close friend of Whitney West and Harley Layne, I was blessed with the honor of knowing Lisa. When Whitney and I were in high school she was always blessing us with rides, food, and her fun bubbly personality. We could always count on her to be goofy with us, make us laugh, give us advice when we needed it, and follow behind us cleaning up our messes! She always treated me as if I was her own and made sure to always make me feel welcome at her house. I will forever cherish Lisa in my heart and the special memories I have of her.*

“ To Harley , Whitney and the family
I have no words , I'm so heartbroken ,
Lisa and I have been friends since the 8th grade . She actually got
Danny and myself together back in 1988!
We had so many good times back at the farm in Mt Airy. We had fun
everyday together . Great years!
A beautiful person gone too soon.
We will remember you always and love you forever! Rest my dear
Lisa 💜
