“ This little man will grow up to know who you are, to know we went once a month to see you after he was born. These pictures of you 2 together and the videos I have of you 2 having conversations as he grew will forever make my heart. We miss you so much. RosaLynn isnt here yet but she will know how important you were to us all, how loving, caring, funny and just the most beautiful soul around. You let granddaddy know I miss sitting in the recliner with him when we came to visit and about all the new family we have now. We love you so much grandma. One day we will be reunited

Granddaddy.
I remember coming down to see you on

Christmas.
I know that your in a better place now, an able to hold Peggy,
Dorothy your brothers and your daughter Kathy and Granddaddy
again. I hope your telling mom how much I have changed an you an
Granddaddy are holding each other's hands again.
I think the best thing about Louise ,she was my grandmother and I
love her so very much.
I will carry you close to my heart always grandma.
I'll never forget being in the kitchen in your way trying to be like my
grandma.
So many memories I'll carry close to my heart. And not to mention
that I am named after you.
Together again we will be, so this is not goodbye but I'll see you
again when the lord calls upon me when it's my time to come home.
But until then you will be close to my heart❤️.
And the many memories that I have will keep you alive in my heart.
I was a very lucky lady to be able to call Louise my grandmother...
I love you grandma forever and a day...
Tell my mom I love her and Granddaddy too..
Until we meet again Rest Easy my dear grandma. ❤️*
