“ Lyle Brown - one of a kind. He would be there with you and all of a sudden you would look for him and he would be gone. No goodbye - he would just leave. Well, he died that way. No goodbye. We will all see Lyle in heaven. He was a great guy, a good friend. He loved my hermit cake and I baked him one every year. So glad he got one this year. Gordon and Lyle went out to eat a few weeks before he passed. He will surely be missed. His dry sense of humor and his outlook and opinions will live on and cause us to smile every time we think of him. LINDA & GORDON HALL

“ Lyle was a good neighbor of ours for 10 years. We will miss him stopping by for those front porch chats. And we loved those ripe tomatoes he would bring us from his garden, too!
