“ *oh my goodness i am in shock! I am not believing what i just read!! Lynette, we were such good friends through high school and even after when we had our children. I am so sorry to all of your family and David...i don't know and cant even imagine what could have happened to my dear friend. Mrs. Wade, Mr.Wade, Michael and David...my heart is broken from this news and please know i am praying for you all. Prayers to Jerry and her children, though i only knew Jerry in the beginning of their dating years and Lynette and I got together after having her first child because my son was still little too. I am so sorry and no amount of words can express that enough. I do not leave home much and barley read any news so i literally just saw her obit! I wish so much that i could have been at the services to tell my friend a final goodbye until we meet again. David...I am so very sorry. I will continue to pray for the days ahead as you all walk through this grief and pray Our Lord gives you all the comfort, peace and love that is much needed at this time. Christina...i know how close you and Lynette have been for all of your life basically...i am so so sorry to hear this. Lynette had just reached out to me not long ago when i lost my mom suddenly. i will never forget you my friend, we have lots of memories that i can cherish. That's a fact! You were the very first person to get to hear my only child's heartbeat with me! I'll remember you and hold tight to all of our memories. You was a wonderful friend to me, i'll see you on the other side sweet girl.*
