“ *Madison....It truly breaks my heart to have loss you, and now I've experienced pain that I don't think will ever go away, because I don't ever want you to go away. I wished that I had more time with you, but it was God's will to take you away, because he has bigger and better plans for you are me and your mom's Angel sent from God and we love you so much. I will do my best to love you through Aveighla and Elsie, our granddaughters. Your last words too me were; (We love you Dad, and I love youMadison) May you rest in peace. Your the daughter I always wanted, and I thank you for loving me. You were the light in this dark place that I'm in, and since you were taken away, these four walls are closing in on me, and I'm dying inside. I will never forget the love you had for me and I had for you. Goodbye Madison I love you.*
