“ *Roger and family:*

I was so sad to hear about Margie. I always enjoyed visiting her when I came to Gladys. We especially loved to talk about our grandchildren. I'll never forget how gracious she was to watch my grandchildren during daddy's funeral. Thoughts and prayers are with you all.

“ I am sorry to hear of Margie's death. Her first year of school, she stayed with my parents, Carrington and Ethel Callahan, during the week in order to go to school because Martha and Grady were working in Maryland and only able to come home on weekends. Eva and I were in high school and we thought she was the cutest little person we had ever seen. We loved having her there. Later when she was about 7 years old and Grady Wayne was about 5 years old, I was their sitter while the parents worked. I find this hard to believe since I still think of her as a little girl. I live in South Carolina and very seldom see anyone but I have wonderful memories of her and her family. The only thing that I can offer is my prayers that the Holy Spirit will bring comfort to your grieving hearts. Please know that my heart hurts for all of you at this time.

“ I remember riding the school bus with Margie. We grew up in the same neighborhood. Margie was such a sweet sweet person. I was so saddened hearing of her passing. I pray for you all comfort in the difficult days ahead. May you find peace in knowing she is with her Jesus in Heaven. Love and prayers, Phyllis Hall Hale
