“ Mark will be missed. He had a huge heart, and helped many people. He loved animals and they loved him. While shopping one day years ago, I ran into him. He was taking an elderly lady shopping for groceries. She hugged me, and embarrassed him praising him for his help. He was like that. He didn't seek recognition. I loved looking at his Christmas trees, he had a wonderful eye for color and he had so many different themes. I will be praying that memories of him will provide comfort.
