“ *Stella & Roy and families, Martha was a dear, sweet lady. I have many memories of her on the Stone Mill Road and at church. She was one of the generation that held her original beliefs true, and lived them. She was a great example to all of us. I look forward to seeing her again.*

“ I always enjoyed going by to visit Martha, especially at Christmas time when we would go Christmas caroling there. She was such a sweet little lady, so soft spoken. I felt like when I hugged her my arms would go around her twice. Praying for the family but rejoicing for her.

“ *As a young boy, I was walking by the stable looking for Owen to play. I heard Aunt Martha praying out loud to God. She had called the cows for milking and was praying while she waited for the cows to come. I will always remember and treasure her sweet spirit.*
