“ *I just found out about Aunt Mary's passing. My fondest memories with her were when I would come up and spend a week with her and Uncle John for Vacation Bible School. While I was there we would play games of checkers together. Definitely miss those days.*

“ I was very sad to learn that Aunt Mary had passed away. I wish I had known so I could have attended her service. She meant a lot to me. After my mother's, her sister's, passing, Aunt Mary was really there for me a lot. We had long chats on the phone and loving visits in her home.

My sympathies to John, Marty, Stanley, and Renea, as well as her grandchildren and the rest of the family. She will never be forgotten.
