“ *First I want to say I am sorry for the loss of Ms. East. I just so happened to be looking for a different person I know who had passed. and just ran across the one for your family. I had to take a second look as it was like looking at a picture of my own mother. I even showed her picture to my husband and said tell me this does not look like mom. he even said it did. I will have to get the picture of my mom and Ms. East together they would look like twins. My mom passed in December 2005. She was from Nelson county her family were from Amherst and Gladstone and Lynchburg. Her mother was a Tyree and I even saw you all have a family member Tyree. They say we al have a look alike and I surely believe my mom and Ms. East in this case.*
