“ Aunt Mary , to me always. She was my Aunt by marriage. I recall so many fond memories with her. From watching General Hospital with her . After all our chores were done , of course. She baby sat me as a young girl. Would place a stool at the kitchen sink , so I could do the dishes. Next would be the dusting. I loved this sweet , gentle woman. I reconnected with her , about 8 years ago. She still was the most gentle woman I ever knew. Thank you , Aunt Mary, for touching my heart, as well as my soul. I hope you knew how I loved you.

“ My condolences to the family and friends of Mary Corbin Donald. I am a resident of Madison, the county where she was born in 1935. I am a singer / songwriter with the ACE \$trings Band <http://acestring.s.jigsy.com/>
Although I never met Mary, I am inspired by Mary's courageous life and have written a song "Mary's March" which honors her for leading efforts in Richmond to get the terrible law of forced sterilization repealed. When my band performs this song later this year, I will put a link here so that you can hear the song.
