“Gina, Tim, Vicki, and all of your children that I have not met, I am so very sorry to hear of your mother and grandmother's passing. I loved Maude from the time I was a girl. I spent so much time in your home as a teenager, and she always made me feel like one of the family. This separation is just a temporary thing. One day, we will all be together again, and the things that kept us apart will seem so small, and the love we all share will be so large. You are all in my thoughts and prayers.

“ *So many great memories of going to races. Those wonderful Brunswick Stews cooked in the caldron and eating in the garage. We were like family for so many years. Beetle and Maude were the best people. Can't believe that Maude left us so quickly after Beetle, but she was so devoted to him; I know they are together looking down on all of us. Our best to all of the family; you were so lucky to have such wonderful people in your midst.*

*Maude was a one of a kind person. I am going to miss our conversations every night, miss going to her home and her generosity. She was my sister in law but more important she was my sister at heart. She always wanted to fix you a meal and spend time with you. A place in my heart feels very empty now. Rest in peace you are loved very much.*

“ *To the family of Maude,I send to you my sincere and deepest sympathy.Your mom and grandmother was so precious and a very loving lady.I came to know her 41 years ago when I came into the family.From that moment own she always made me fill a part and special.She would bring sunshine with her everytime she entered a room,Maude always had time and love for her family and friends even those she didn't know.She will be truely missed by me and all who loved and knew her.At least now she will be without pain and the sickness,and can now be with her family and other love ones who have gone ahead of her.Remember the wonderful,sweet and funny memories I know she left for us a treasure chest full.*
